

THE 4 CORNERS OF MAURISUN

Reflecting the Maurisun Rainbow spirit, our range of excursions is sure to make your holiday an unforgettable one. In order to take you to prime locations, far off the beaten track, we collaborate with mountaineers, game keepers, boatmen, pineapple farmers, wildlife organizations and even local schools.

Because we want you to experience the Real Mauritius during your holiday, we have conjured up activities such as hikes onto picturesque mountains, dives into turquoise waters, exotic food tasting, encounters with rare plants and animals, classes at a tiny mountain school, shopping on local markets and much more.

Step out and take a break from an ordinary holiday. Brace yourself and get ready for an out-of-this-world experience. Let us thrill you with tantalizing delights on our enchanted island; shamelessly seduce you with lots of fun and spoil you with exotic pleasures under tropical skies.

Our range of activities cover every corner of the island, to make sure you get more adventure and spend less time traveling.
